See attached correspondence to Don. I know it is informal however, given the limited advanced notice, I thought it best to make sure I got notice to him NOW.

I will try to make it back on Monday however, flights are limited where I am.

RE: Odyssey Residential Bruton at St. Augustine

Councilman Dan Hill -

Please excuse the informal nature of this facsimile. I am out of town in a remote location but, I wanted to let you know of a board meeting with the homeowners. Understandably, they may have already invited you to the meeting however, I wanted to make sure that you knew of the meeting since at the last hearing you indicated that you wanted to attend.

The meeting is scheduled for Monday the 28th at 2pm at Charco Broiler Restaurant located at 1612 South Buckner in a small shopping center NEXT to Radio Shack (214-391-4755).

A representative from Odyssey Residential will be present. Since we were not advised of the meeting until Friday at 4:30pm it will be difficult for me to attend. I will make every effort to attend however, it will depend on my being able to catch an earlier flight

back to Dallas.

I would like to meet with you early next week to discuss this request and the upcoming hearing. Thank You.
