

# *Don Hill's Campaign Fund*

---

February 16, 2005

Dear Friend:

The New Year has begun and here we are faced with a lot of the same challenges and some new ones. Together we have created a better District 5. We have lowered the criminal activity, increased economic and real estate development, and we have improved the quality of life for District 5. We have had another successful term, as far as, making District 5 a safer place to live, work, and play. It has always been our main objective and it will always be as long as I am chosen to lead the charge.

Serving you these past six years has been such an honor. There is still so much more work to be done. Together we have created a better District 5, and we can do it together again. Together we can make District 5 into an even greater place to live, work, and play. During the last campaign, I did not have an opponent. This campaign I do have an opponent, and I need your support even more so in order to complete the task.

On Monday February 28, 2005, I am hosting an evening Business Mixer Fundraiser. Your participation will enable me to run a strong campaign, and enjoy an evening of mingling with my professional constituents and friends. Please join me for a purposeful and fun filled evening. Again, your support is greatly appreciated and I hope to see you there.

Enclosed is a personal invitation for you and a guest. If you have any questions, please contact my office at 214-943-0012.

Thank you in advance,

Donald W. Hill  
Deputy Mayor of the City of Dallas  
Councilman of District 5
