The following is a transcript of a conversation

3

between DONALD W. HILL and SHEILA FARRINGTON [REDACTED]

(Background noise)

6

SHEILA FARRINGTON (FARRINGTON): Hello?

7

DONALD W. HILL (HILL): Hey baby, what's up?

8

FARRINGTON: Hi sweetheart, you tell me.

9

HILL: Uh, you know what? I stayed too darn long

10

working through D'ANGELO's issues, with us kinda

11

talking a little loud at one another in a friendly way

12

and trying to work through stuff, that I was late for the

13

retirement party. Then, I found out the retirement

14

party is, obviously, they put it on my schedule wrong,

15

cuz, it's not tonight, it's tomorrow night. So, I

16

just left there and I'm on my way to you, baby. You

17

know, hey, we, you know, we done paved this road over

18

here at Southerland. Was it paved when we looked at

19

it? Huh? You know what? Cedar Crest has some great

20

views of Dallas, honey. It's great views, great

21

views. Just flat great.

22

FARRINGTON: Yeah.

23

(Background noise)

24

HILL: (UI) D'ANGELO's trying to do us a good deal.

25

He's trying to top as much land as he can. Even if

1 it, it's just for a little while.

2 FARRINGTON: Yeah, that's what we talked about yesterday.

3 I told him it's time to get more than one project on the

4 table.

5 HILL: Well, he's, he's doing it.

6 FARRINGTON: It doesn't make sense to have just one

7 project. You need to have ten projects you working on

8 simultaneously. And when one closes, you replace it

9 with another one. And we need to move while we're in

10 the momentum. While we're in this movement. The

11 momentum is working in our favor. And we need to move

12 with it.

13 HILL: That's right. You're right, baby.

14 FARRINGTON: Instead of sitting and waiting on it to

15 move for us.

16 HILL: You're right, baby.

17 FARRINGTON: We just walk in it. And that is what, I

18 got from my meditation, but I was waiting til we had a

19 chance, you and I had a chance, to talk about that.

20 And sometime, I just tend to hit you with you and I

21 don't have a chance to tell you all that came out of

22 my meditation, but uh.

23 HILL: (UI)

24 FARRINGTON: So, I caught myself saying it, saving

25 it. Anyway, I uh, I'm pulling in the garage and I'm

1 sure we're going to cut off.

2 HILL: Okay. (UI)
