1 **DL:** Thank you for calling, I am away from my phone or with a client right now. Leave a
2 message and I will call you back at my earliest convenience. Hope you're having a fantastic day.
3 Thank you.
4 **O:** Please leave your message after the tone. Press 1 to send a numeric page.
5 **BF:** Uh, D'Angelo. Bill Fisher. It is about two o'clock on Monday, the twenty-first. I'm just
6 following up. I, you know, Darren is pissed at me and isn't really communicating. I had uh,
7 gathered up. You know he told me I needed to, to pay Ra Mill here. So I've gathered up some
8 money to make a payment on their invoice. And, so I'm not sure who I'm supposed to give that
9 money to. And it's supposed to be done before Wednesday. I had obviously, you know,
10 skimmed off some money on the Pecan Grove draw to pay BSEAT's fee as well for the
11 upcoming deal on uh Wednesday. But like I said, Darren's angry at me cause there's some stuff
12 in his revised agreement I can't do. So, I'm calling you to ask you what I'm supposed to do.
13 I've, you know, got some money here for, you know, coming up on Wednesday and need some
14 kind of direction on what to do. So, if you get a chance, call me. I'm at the office - (972) 455-
15 9298. (972) 455-9298. Or you can always try me on my cell - (214) 755-2539. Thanks,
16 D'Angelo. Bye.
