Note: This item was considered by the City Council at a public hearing on October 13, 2004, and was taken under advisement until October 27, 2004, with the public hearing open.

**HONORABLE MAYOR AND CITY COUNCIL**      **WEDNESDAY, OCTOBER 27, 2004**  
**ACM: Ryan S. Evans**

**FILE NUMBER:** Z023-248(MM)

**DATE FILED:** June 25, 2003

**LOCATION:** On the south side of Camp Wisdom Road, east of R.L. Thornton Freeway

**COUNCIL DISTRICT:** 5 & 8

**MAPSCO:** 64Z & 65W

**SIZE OF REQUEST:** Approx. 46.55 acres

**CENSUS TRACT:** 11.20

**APPLICANT:** Southwest Housing Development (See list of officers/directors)

**OWNER:** TX Laureland Housing, L.P. (New Owner. See list of officers/directors)

**REPRESENTATIVE:** Karl Crawley, Masterplan

**REQUEST:** An application for a CH Clustered Housing District with deed restrictions volunteered by the applicant to a maximum of 8 units per acre with a 50-foot no-build area on the western property line, on property zoned an MF-1(A) Multifamily District and a TH-3(A) Townhouse District

**SUMMARY:** The CH Clustered Housing District allows up to 18 units per net acre, but the applicant has volunteered deed restrictions to limit the development to a maximum of 8 units per acre. The applicant has also volunteered to a 50-foot no-build area on the western property line. The applicant proposes to build a maximum of 280 townhouse-style dwelling units.

**CPC RECOMMENDATION:** Approval, subject to deed restrictions volunteered by the applicant.

**STAFF RECOMMENDATION:** Approval, subject to deed restrictions volunteered by the applicant.

**COD\_CS0 0002750**

**BACKGROUND INFORMATION:**

- The applicant proposes to build a maximum of 280 townhouse-style dwelling units to be developed as multifamily units under the regulations of a CH Clustered Housing District.
- The applicant states the development will be rental units, approximately 1,000 to 1,250 square feet in size.
- The CH Clustered Housing District allows up to 18 units per net acre, however the applicant has volunteered deed restrictions to limit the development to a maximum of 8 units per acre. In addition, the applicant has agreed to a 50-foot no-build area on the western property line to protect the existing vegetation.

**Zoning History:** There has been one zoning change request in the area within recent history relevant to this case.

1. Z034-245      An application for a Planned Development District for mixed uses and the termination of a portion of SUP No. 187 for a cemetery and mortuary use and a private recreation club or area for a golf driving range on property zoned an R-7.5(A) Single Family District with Specific Use Permit No. 187 was approved by the City Council on September 22, 2004, with the ordinance returning to the City Council on December 8, 2004.

**Thoroughfares/Streets:**

Thoroughfares/Street	Type	Pavement Width	Existing ROW	Proposed ROW
Camp Wisdom Road	Principal Arterial	66'	60'	107'

COD\_CSO 0002751

**Land Use:**

	Zoning	Land Use
Site	MF-1(A) & TH-3(A)	Undeveloped
North	R-7.5(A) with SUP 187 on a portion	Fire station, church and undeveloped
East	R-5(A) & R-7.5(A) with SUP 188 on a portion	Electrical power substation, Ricketts Branch Park, undeveloped land, and single family residences
South	R-7.5(A)	Undeveloped land
West	R-7.5(A)	Undeveloped land and a heavy equipment business

**Area Plans:** Southeast Oak Cliff Land Use, Housing and Economic Study, adopted by the City Council in August, 1991, recommends this area for single-family uses, however, the site currently has zoning for multifamily and townhouse uses. The proposed development is at a lower density than would be allowed under the current zoning.

In the Goals and Objectives of the Housing Strategy section, the proposed development meets the following objective:

**Objective #6: To encourage the development of new affordable housing in the Southeast Oak Cliff community.**

**STAFF ANALYSIS:**

**Land Use Compatibility:** The request site is an approximate 46.55-acre tract of undeveloped land that is heavily wooded and is crossed by two creeks. The applicant is requesting a CH Clustered Housing District to allow flexibility in developing the site, on which they plan to build a maximum of 280 townhouse-style dwelling units. The CH District limits the development to a maximum of 8 attached units approximately 1,000 to 1,250 square feet in size. The CH District also allows a maximum of 18 units per acre, but the applicant has volunteered deed restrictions that limit the development to 8 units per acre. In addition, the applicant has volunteered an additional deed restriction of a 50-foot no-build area on the western property line to protect the existing vegetation. The applicant states the development will be rental units, approximately 1,000 to 1,250 square feet in size.

COD\_CSO 0002752

As mentioned in the Zoning History section of this report, zoning case number Z034-245 located north of the request site and was approved by the City Council on September 22, 2004. The applicant in this case is proposing to develop the 70-acre site in 2 phases: Phase I will consist of the development of 250 multifamily units and a 1-story clubhouse. A significant portion of the multifamily development will be developed west of a new north-south street with the remaining units to be developed east of the new street and south of a creek. Phase II will consist of the construction of approximately 250 single-family homes. The single-family homes will wrap around the multifamily development beginning northeast of the Unnamed Road and Cheery Creek Point. The applicant will have to submit a detailed development plan for CPC approval for the single-family development in Phase II. Furthermore, the applicant has indicated that the lot sizes will vary between 5,000 square feet to 10,000 square feet lots. The representative has indicated that a minimum of 10% of the single-family lots will be 10,000 square feet.

The surrounding land uses are a firehouse, a church and undeveloped land (part of Z034-245) to the north; an electrical power station, vacant land, and a single family development to the east; undeveloped land to the south; and a heavy equipment business with vacant land fronting Camp Wisdom Road to the west.

The proposed development is not significantly changing the existing zoning on the property, which currently has multifamily and townhouse zoning. However, by volunteering deed restrictions limiting the development to a maximum of 8 units per acre, the applicants are providing a less dense development in order to protect the existing vegetation and trees.

**Development Standards:**

\*Maximum 8 dwelling units per acres as volunteered by deed restrictions

**Landscaping:** Development must comply with Article X, as amended.

**CPC Minutes: (August 7, 2003)**

**Motion:** It was moved to recommend **approval** of a CH Clustered Housing District with deed restrictions volunteered by the applicant for a maximum of 8 units per acre and a 50 ft. no-build area on the western property line, on property zoned an MF-1(A) Multifamily District and a TH-3(A) Townhouse District on the south side of Camp Wisdom Road, east of R.L. Thornton Freeway, subject to deed restrictions volunteered by the applicant.
