

1 Phone Ringing

2 LEE: Thank you for calling I am away from my
3 phone or with a client right now, leave a message
4 and I will call you back at my earliest
5 convenience. Hope you're having a fantastic day.
6 Thank you.

7 RECORDER: Please leave your message after the
8 tone. Press 1 to send a numeric page.

9 Beep

10 REAGAN: Hey, D'ANGELO, this is DARREN, how
11 you doing, man? Ahem, I waited up as long as I
12 could last night, and I, ah, had to turn it in.
13 But, ah, basically, what I was gonna tell you is
14 that. (cough) I did get a call from JIBREEL, and,
15 and, ah, RICK, I guess, ah, they had me on, ah,
16 speaker and, and, ah, ah, basically telling me
17 that, of their discussion with BILL and, ah, ah,
18 what I, what I told them to do is, ah, for, ah,
19 them to get with you and, and, ah, you know, work
20 through whatever, you know, need to be worked
21 through. Ahem, they had indicated that they were
22 possibly gonna have a follow-up discussion with
23 BILL on today. But I suggested to them that
24 they, that the three of y'all get together, ah,
25 before y'all have any, before any such meeting

1 took place, or discussion took place with BILL.
2 Ah, so that was basically what I wanted to, to
3 share with you, and hopefully, you guys are, are
4 on it and, ah, talking through that, that
5 situation. But, ah, feel free to give me a shout
6 back at your earliest convenience, bro, I'll talk
7 with you now. Take care.
