Dear Mr. Mahmoud:

Without our donors our existence would cease. Thanks to your continuous support we have taken great strides in alleviating the cries, and the pain of many of the people in the Holy Land. The Holy Land Foundation and the people it serves have come to expect your support. It is with this thought in mind that I write the following.

I am cordially inviting you to attend this year's annual fund raising event. This year's program promises to be unforgettable! Five innocent victims of senseless violence from the West Bank and Lebanon will be here to tell you their horrifying, traumatic experiences. (While in the States these children will undergo numerous delicate surgeries unavailable to them overseas). A remarkable video of the current situation in Palestine produced by Tom Hayes an American journalist will leave you breathless!

Call us today at 973-523-5010 and reserve your tickets. You don't want to miss this year's event. It's a night you won't soon forget!

Sincerely,

Shukri Abu Bakr  
Executive Director

**P.S.** Should you be unable to attend this event, we are enclosing a pledge card so that you may support this worthy cause. Just fill it out and mail it in! Thank you.

**At the Macedonian border a line of refugees 25 miles  
long is reportedly waiting to cross from Kosova!**

Dear donor, Assalamu Alaikum,

You must have heard the catastrophic news by now: The situation in Kosova is absolutely critical, and it will take so much money and effort to aid the sea of devastated refugees.

One refugee told CNN he was forced to leave his two sons behind, and a woman said she saw her sons shot and killed by Yugoslav troops.

Women and children have died on arrival at crossing points into Albania due to exhaustion and exposure! Over 800,000 Kosovars have been forced out of their homes.

"It's terrible. It's really hard to describe. You can see in the eyes of the refugees...they are extremely overstressed, they are afraid.", said Martin Tekulve, with Doctors Without Borders. Tim Boucher, Head of the Doctors Without Borders mission, said, "Villages are burning, people are absolutely terrified...Yesterday people were forced to leave their homes with nothing...They have immediate needs for food, blankets..."

The plight of the Ethnic Albanian touches every heart. No one would want to be in a situation like this. How would you feel if this was your family?!

Please listen to these helpless people as they call you for food, medicine, clothes, and blankets! We at the HLF are launching a huge humanitarian campaign for this crisis, but we cannot do it alone. We need your help NOW!

Please Give; \$1,000, \$500, \$250, \$100- Whatever you give will go a long way in saving precious lives. Every dollar that you donate will provide food, water, medicine, and much needed aid to the Kosovar refugees.

Please act now, while my letter is before you. Please fill the enclosed Emergency Response Form and mail it with your gift immediately. Better yet, call now and charge your gift by phone. Call **1-800-909-6822**.

For the needy,

Shukri Abu-Baker,  
Chief Executive Officer

*Our staff is standing by,  
working late hours, waiting  
for your calls! Thank you!*

P.S. By the time you read this, the number of Kosovar refugees will probably be up to one million!

كوسوفو

## كارثة انسانية تحتاج الى ضمائر انسانية!

عزيزي المحسن الكريم.. السلام عليكم ورحمة الله وبركاته.

أكتب إليك على عجالة لأن الأحداث تتسارع وأمامنا مهمة إنسانية لا تحتمل التأخير.

لا وابد وأنت على دراية بالكارثة البشرية التي تجري في إقليم الكوسوفو.. إن ما نشهده اليوم هو تكرار لمأساة الشعب الفلسطيني قبل خمسين سنة.. الإقليم يفرغ من سكانه الأصليين ويدفعون تحت سطوة السلاح الى الرحيل هرباً من الموت والتنكيل. لقد صنع اللاجئين أميالاً بشرية، تتحرك نحو النقاط الحدودية بحثاً عن الأمن والأمان.. وفي خلال هذه الرحلة الشاقة يسقط العشرات من النساء والأطفال الذين لم يحتملوا مشقة الجوع

والعطش وشراسة الأمراض. ( بلغ عدد اللاجئين الكوسوفو ٨٠٠ ألف إنسان !! )

لقد تحدث شهود العيان عن عمليات القتل والنهب والإغتصاب! لقد أذرت المراقبون بكارثة بشرية نتيجة نقص الطعام والشراب والدواء.. فماذا نحن صانعون؟

لا شئ في الحس الإنساني أسوأ من مشاهدة مثل هذه المأساة البشرية.. مثل هذا العذاب.. مثل هذه الانتكاسة في الضمير.. دون أن نحرك ساكناً. الأشد وجعاً من الجرح النازف هو أن لا نوقفه عن النزيف.

ولكن بإمكاننا أن نفعل ذلك.. بإمكاننا على التوأن نباشر في توفير الطعام والشراب والدواء واللباس وغير ذلك مما يحتاجه أولئك المنكوبين ذوي الأصل الألباني.

أكتب إليك حتى استرحم ضميرك الحي! أكتب إليك حتى تضع يدك في يدي ونباشر معاً مشوار الرحمة والإنسانية.. لأنه هذا هو قدرنا. هذه هي رسالتنا. وهذا هو واجبنا.

وقد أعلننا حالة الطوارئ في المؤسسة فستبقى أبوابها مفتوحة حتى منتصف الليل من كل يوم بالإضافة إلى يومي السبت والأحد. المهم أن لا تفوتك فرصة إغاثة ملهوف أو إطعام جائع في مثل هذا الظرف العصيب!

والله في عون العبد ما دام العبد في عون أخيه..
