Our charity organization condemns your attack on the Holy Land Foundation. Your attack will result in the loss of funds that we need to feed our orphans and needy families.

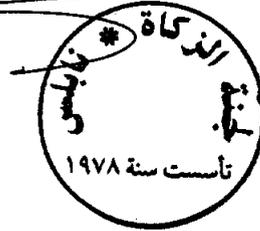

The Holy Land Foundation has been helping us teach our Students and serve our people .

Why attack the Holy Land Foundation when we, the people of Palestine respect them and now how important their work is

We demand that you apologize immediately.

Thank you

We have learned that your report on October 3 has accused the Holy Land Foundation of diverting money to terrorists. If you think that providing medicine, education, food and clothes to the needy people of the Holy Land is Wrong, Please tell us what is the right thing to do.

We trust the Holy Land Foundation and We know where the money goes. It goes to keep the Palestinian people alive.

Please stop your propaganda and correct your mistake.
