Subject: Thanks to Allah

Peace be upon you
May Allah reward you well my brother
We will have a meeting Allah willing
Good now will I communicate with the brother and forget you or only when there is a question or can I be in contact with you however I don't want to increase the communication gap for the sake of protection security and concealment
As for my information I reside in several states however the present state is Texas in areas close to Dallas
As for movement it is a little difficult but I do own a vehicle for transportation that is not very good and I will be ready to move to the next stage Allah willing however you say that I have to take out some tools or something is there any danger in this stage
And I hope that the distance is not too far
And if you kindly would my honorable brother have the meeting in one of the houses of Allah a mosque during the Friday prayers
Or if there are other ways let Allah facilitate them Allah willing and may Allah protect you my brother to you be the whole reward Allah willing
