Subject: Second

"And whoever desires a religion other than Islam, it shall not be accepted from him, and in the hereafter he shall be one of the losers."

In the name of Allah the Gracious the Merciful

,My brother Aba al-Ayyubi

.I hope that your affairs are fine

.By Allah I have a feeling that you are noble and trustful and fervid on our religion and our nation. I hope that our relationship will be productive and our jihad for the sake of Allah is pleasing to Him Almighty be He exalted

My dear already brother al-Karkhi told me about your zeal and true desire and I know your goal precisely because I walked the same path that you and brother al-Karkhi are walking it now. But I myself and in person would like to hear from you personally without the testimony of anyone about .Some necessary things so that we complete our mission with success and in order for our deeds to be pleasing to Allah Almighty. I ask you not to think that I am prolonging at all but the opposite because the safety is in the carefulness and the regret is in the speed

.The most important primary things [sic] is to ascertain your genuine Islam. That is why I ask you to write to me in your personal style about the two following topics. This is the second task and it is somewhat easy and its purpose is confirming your true religion

:This is the second task and it is two parts

The first: Write a clear confession that you believe that Allah is one He begot not He is not begotten and none beheld Him and that Muhammad, Allah's blessing and peace be upon Him, is the Messenger of Allah and the last of them , and that you believe .In the Hadith and Sunna

The second: Offer a promise to yourself and to me and testify before Allah that you will try with all your power not to kill or harm your Muslim brothers

.After this second task there is another similar to it we can go through it quickly so that we reach the heart of the subject none other than helping you in executing your wish for the sake of Allah

.Do not forget to place your responses in Amman the pilot... and inform me at my personal email that there is a message from you awaiting me

I am waiting for your answer and looking forward to completing the remaining stages

Your brother: Rafiq
