Peace and Allah's mercy and blessings be on you

My dear brother

In the name of Allah

I am sorry for my passing quickly I already was I already wrote a big subject and it was erased by mistake because I did not save it

I will not repeat the writing because there is no more time remaining with me

Now my honorable brother

My father is coming Allah willing the next month he will stay a week approximately to see me and for the assurance

I hope that you do not understand me wrongly in the first explanation

My intention already was it is only to say farewell to the father so that he does not worry about me when I disappear from the view or go to what is facilitated for me because I was going to converse with him about my intention but my intention is my intention and my soul and my body Therefore I am determined about this matter and I will never retreat from it in any way of the ways unless if you do not assist me then I truly will remain searching to an extent that does not have an end

I hope [UI] that you understand me I truly already said this because I am determined and already the opportunity has presented itself to me in the right path like my brother Abu-Mus'ab al-Zarqawi if you knew him and I will not lose this opportunity never ever because I do not know what is coming thus I do not want to join a non-Islamic group only because of prejudice or the ethnicity or something like this so like you my brothers I truly say it truthfully truly that my dream now is to be of the soldiers of Allah firstly for the support of the Islam and my beloved the Sheikh Osama may Allah prolong in his life I do not know what is in me and but I love him as I love my father and I do not want to add to this

Then the point my brother now is that thousands of the Muslims have already been killed in Gaza at the hand of the Jews the dogs and the silent traitors apostates I [sic] and they are the kings of the Arabs which Allah willing their end will be the hanging rope and hell

So their silence and their fight against the Sheikh means that they are apostates with the enemy in a world scheme which is the destruction of the Islam and the Muslims and the extortion of their lands for the benefit of the Jews and the love of unbelief

So by Allah and the one who created me there will not be a retreat at all even if they took me to Guantanamo the rest of my life

So I will never forget Iraq and nor Palestine and nor Afghanistan and nor every place where already it was mentioned in it there is no god but Allah Muhammad is Allah's Messenger

So who will support the brothers the children the women [UI] became widows and their orphan children

So who will return these lands before the religion and the blessing disappear  
So who will tumble these tyrants  
In the name of Allah the Gracious the Merciful this is an oath from me to you my brother I am  
truly ready and if you were loving of the jihad as I am  
So I am truly ready by Allah for the jihadi life  
So there will be of me what will please you and please your Commander  
So the reign is for Allah alone He is the Living and the Eternal I ask Him that he will be our  
caliph  
And ruler  
Awaiting your reply my honorable brother knowing that I say it again I am ready but you must  
help me  
In order to arrive to you and then disappear and there will not be a retreat so you will be my  
relatives Allah willing

And when the appointed time comes should there be with me  
Money to take care of the expenses after my arrival to you or only to arrive to you then there will  
be support because you know  
Are we able to work to earn our living our food or over there everything is different  
For it is the first time remember yourself for the first time  
Clothing  
Papers ?  
Anything ?  
Or only the trusting in Allah then the emigration  
I hope [UI] the appointed time is near Allah willing and I hope you are not Intelligence or  
anything because I am Muslim like any Muslim my intention is the defense of my religion and no  
one can overcome the power of Allah thus religion is for Allah and Allah is the Strong the  
Supporter  
And Peace and Allah's mercy and blessings be on you
