Peace and Allah's mercy and blessings be on you

Amen Allah willing

A very beautiful supplication I wish [UI] from Allah be He exalted to grant us Allah willing and make for us a blessing in this world and the afterlife hopefully that we will be of the Mujahidin by His permission be He exalted for us are paradise and comfort Allah willing that the appointed time for the victory is near a happiness for the nation and our brothers in Guantanamo [UI] we may make them happy with shouts of the victory and the blessing while they are in the caves of the infidels Allah willing that their liberation is near and a victory from Allah

So Allah willing that He will bless our deeds and utilize the believers from us for service of the religion and support of our beloved ones over our enemies and bless the Sheikh who started this blessed path in this vanishing world hopefully I will be joined with him after the victory and the operations that please the believers and the [UI] and upset the infidels around the world Allah willing they will be strikes

Strong smart blessed from Him the Strong the Knower of the unseen and the seen

And there is no power no strength save in Allah Lord of the great throne

So what is more beautiful than we being from Allah's soldiers on a corrupt land already the wickedness filled it

And I promise you my brother that I will be from the distinguished among your ranks

For the disguise is of my good qualities and it will be a disguise for entering and destroying the heart of the enemy and paralyzing its members Allah willing

Hopefully Allah blesses me and you and the Sheikh and make and open our minds over these upcoming operations they will be operations and not one He is the One the Only I ask Him I seek His forgiveness and I repent to Him

There is no god but [sic] Muhammad is Allah's Messenger

Peace and Allah's mercy and blessings be on you
