Subject: The meeting is near

In the name of Allah the Gracious the Merciful

Peace and Allah's mercy and blessings be on you

My dear brother Aba al-Ayyubi, may the Lord protect you

First I send you my greetings from me and from those who are working with me for the sake of Allah be He exalted and the spread of His word the most high and the work to return the extorted lands of the Muslims and the protection of the honor of our Prophet and the Seal of the Messengers, Allah's blessing and peace be upon Him.

O my brother, your latest message clarified for us and affirmed and finalized your decision in the best path of the jihad. Already your words were impressive when you said, "I will go in this path sooner or later ... and this is my decision... I ask that you accept me." We find in you [UI] the courageous Mujahid and we consider you as one of us and that is why we entrusted you on our ways and our secrets and even ourselves. You are right when you say "Thank Allah this already was facilitated for me with you." My brother, indeed this [UI] is not for everyone but for the select of the believers. Indeed your saying conforms completely to the saying of Allah be He exalted:

"... Praise be to Allah, Who has made us to excel many of His believing servants." Allah Almighty has spoken the truth.

My dear, I am sorry that your circumstances prevented your ability for transportation and the performance of the researches that you desire them. O my brother, do not be frustrated and do not worry but remember His saying be He exalted in His book:

"... it may be that you dislike a thing while it is good for you, and it may be that you love a thing while it is evil for you, and Allah knows, while you do not know." Allah Almighty has spoken the truth.

We truly do what we can and upon Allah is the reliance and from Him is the prosperity and the success. And this is according to His saying be He exalted.

"And prepare against them what force you can and horses tied at the frontier, to frighten thereby the enemy of Allah and your enemy and others besides them, whom you do not know (but) Allah knows them; and whatever thing you will spend in Allah's way, it will be paid back to you fully and you shall not be dealt with unjustly." Allah Almighty has spoken the truth.

My dear, is it that all the researches that you intend to perform require the transportation by the car or are you capable of accomplishing some of it from the location of your secured and private residence? Send us any of the completed researches for the locations that are in your area and that you believe are suitable. Also O my brother, have you exhausted all of your capabilities and all the means that may empower you to perform your researches although they require more effort in the transportation? Remember that all your efforts although they may be tiring consequently they are good deeds in your scales. In any condition we leave the matter to you because you are the best in knowing your capabilities and the obstacles that are ahead of you at the present time. Your idea is good when you said, "I will inform you of all the updates." Inform us about the development of the matter of obtaining a means of transportation for the researches. At the present time I ask that you send me at the earliest time possible the pictures that you took them when you were with the brother Hussein or by yourself and any other result for the researches that you performed until now.

My beloved brother, starting from the next Sunday and for a period of a week I will travel to follow-up some of the important matters and I will be in an area that has no easy communication to the web network. You know what I mean. Because of this it may not be easy for me to read your reply immediately. In this period the brother Hussein will contact you and will come to see you. In your preparation for meeting him, begin in writing a second message to the Sheikh the commander about what you intend to do for the sake of the cause. Do not send the message to me but share it with the brother face to face.

Until the meeting, with the prayer and the best wishes for the success.

Your brother: Rafiq
