Peace and Allah's mercy and blessings be on you

Blessed honored Ramadan

O Lord accept our fasting and grant us success in our works for the support of the religion and protecting it in this honored month

A greeting to youthe beloved brother

Indeed the second target consists of a large bank but the first target is a commercial center and contains branches of banks

I am indeed impressed by both targets and but the first target is the more suitable for the operation even though I would have preferred that the strike be accomplished on both targets and but Allah granted us success in the selection [UI] the first target that contains five banks and is made of the glass and is of an international level [UI] let us rely on Allah

O Lord guide our aim and overshadow our enemy Amen

As for the two targets the casualty rates will be high because the two targets are about the same size and but the shape is different and since I already examined the first target and I already specified the suitable site for the planting in this building we will not waste this opportunity Allah willing

O Lord destine for us the success and prosperity from You Amen

I will discuss with the brother Hussein in the subject in more detail Allah willing and I will give you the results of the discussion

I have merely general questions

Is it true what I saw in the news we have members now in Jerusalem from our side

Woe to Hamas and the Authority how they acted foolishly with the brothers the Mujahidin So how do we want success from Allah and they are not in one hand and there is no application of the law of Allah

And the killing of the soul which Allah forbade in truth woe unto them woe

There is no power and no strength save in Allah

My dear brother there are news that there is a group of American soldiers coming to Afghanistan soon I already learned this news from a friend from the police from the area he works in the military he is departing soon to Afghanistan in an emergency situation perhaps this will be useful news to you so that you can

Warn the Mujahidin for the caution and the readiness for the hungry dogs may Allah curse them

May Allah accept our fasting and your fasting and may Allah prolong the life of the beloved
commander U S A M A
Peace be on you
Al-Ayyubi
