Subject: Do not worry

"... And it may be that you dislike a thing while it is good for you, and it may be that you love a thing while it is evil for you, and Allah knows, while you do not know." Allah Almighty has spoken the truth.

My brother and my dear al-Ayyubi

First I am very sorry for what happened to you in the past days but remember His be He exalted saying in His book which I mentioned to you in the beginning of the message. Moreover I truly am proud of you for your being endowed with patience and controlling your nerves in this ordeal.

My dear, do not worry at all. If the authority considers you a danger to itself then its agents would have kept you in the prison and interrogated you much more and they would have even interviewed your acquaintances and colleagues at the work. At any rate I am very pleased with your caution, so as you said proceed immediately and at first possible opportunity to obtain another telephone number and send it to me as soon as you obtain it. I in my turn will look at our electronic mail every few hours and will give your new telephone to the brother Hussein and he will contact you at the earliest time possible. And also you can write to me whenever you wish. All the other matters will ease, with the permission of Allah be He exalted.

For sake of the protection O my dear, when the brother Hussein talks to you talk in English and not in Arabic.

I hope that you put forth the best effort for obtaining the new telephone shortly before the coming Saturday.

Be steadfast, as you did in this ordeal, the steadfastness of the disciplined Muhajid. So your victory is coming soon.

Your brother: Rafiq
