Bankruptcy: The Basics, What It Says and What It Really Means, and an Insider's Peek Into The Courthouse

The FBA Bankruptcy Section and the FBA Dallas Chapter are sponsoring a CLE event that will include two one-hour panel presentations. The first panel, discussing the different bankruptcy chapters, the roles of the trustee and DIP, differences in contracts and enforcement pre-bankruptcy, will be moderated by Marc Taubenfeld. The second panel, moderated by Judge Harlin D. Hale, will give insight to what really goes on in the courthouse and in chambers. Lunch will be served in between the two panel presentations.

Panel Members

- Panel 1: Private Practitioners and a Representative of the local U.S. Trustee's Office
- Panel 2: The Permanent Law Clerks for each Bankruptcy Judge in the Dallas Division
